About Dragon Boat Racing

With origins dating back 2,300 years, dragon boat racing is the most fun, unique cultural event featuring adrenaline-pumping action. Dragon Boat Racing grows in worldwide popularity each year, and is the eighth fastest growing water sport. Teams rave about the excitement, friendly competition and community spirit surrounding the sport. Teams of 20 paddlers, a drummer and steersperson race in authentic 46-foot long dragon boats. All ages, skill levels and physiques can participate, making it the ultimate team building sport, requiring synchronicity and finesse, more than power to win.
