July 7, 2011

For Immediate Release

Contact: Penny Behling, 865.742.4306 or Renee Hoyos, 865-607-6618

Memphis, TN - Find out why dragon boat racing is one of the fastest growing water sports in the world!

Begin to sharpen your paddling skills at the Duncan-Williams Dragon Boat Demo Day on Friday, July 15, from 2-5 p.m. at Mud Island River Park. Come by anytime during those hours and get your turn in a dragon boat. Also, learn more about the September 24 Duncan-Williams Dragon Boat Races and how to register a team. Save \$100 if your team registers by the July 18 early registration deadline.

Dating back more than 2,300 years, the most fun, unique cultural event featuring adrenaline-pumping action, dragon boat racing grows in worldwide popularity each year, and is the eighth fastest growing water sport. Teams rave about the excitement, friendly competition and community spirit surrounding the sport. Companies and community groups choose their team of 20 paddlers and a drummer to race in authentic 46-foot long dragon boats with a trained steerer. All ages, skill levels and physiques can participate, making it the ultimate team building sport, requiring synchronicity and finesse, more than power to win.

Find out more about the Duncan-Williams Dragon Boat Races, benefiting the Tennessee Clean Water Network, and register to compete with dozens of other corporate and community teams during Dragon Boat Demo Days on Friday, July 15 at Mud Island River Park. More information is online at www.memphis.racedragonboats.com, or e-mail penny@racedragonboats.com. Call 877-580-RACE (7223).
